Re: notice of subscription

This notice is being sent to all subscribers to the WLPD press release list. The city of West Lafayette has recently launched a new website at [www.westlafayette.in.gov](http://www.westlafayette.in.gov). A part of this new website enables individuals to subscribe to different newsletters and notices, including press releases from WLPD. I have taken the email addresses that the department has used in the past and added them to the City's new site as a recipient for future WLPD press releases.

If you would like to unsubscribe from this list, you may do so at <https://www.westlafayette.in.gov/egov/apps/my/account.egov>.

We would ask that you pass this information on to others who would like to receive notices. They may sign up at the West Lafayette website.

Any questions regarding this particular notice may be directed to Ofc. Don Hartman, [dehartman@westlafayettepd.us](mailto:dehartman@westlafayettepd.us).
